Dear Potential Exhibitor:

The 38th Annual Georgia Peanut Farm Show, "Georgia's largest commodity show", will be returning to the University of Georgia Tifton Campus Conference Center in Tifton, Georgia, this coming year after an extremely successful 2013 show.

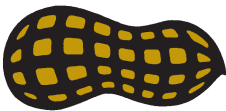

This premier, one-day show will allow you the opportunity to meet face-to-face with more than 1,500 Georgia, Florida, and Alabama peanut farmers, as well as the opportunity to meet with University of Georgia and Abraham Baldwin Agricultural College students whom may be potential job candidates in coming years.

The 2013 show was the first show held in Tifton since 1983, and proved to be an outstanding success. The show boasted more than 1,800 attendees, over 100 exhibitors, and approximately twenty research seminars. We are looking to even further the success of the 2014 show—this success cannot be attained without your participation!

The 2014 Georgia Peanut Farm Show will be held on January 16, 2014, with set-up on January 15. Please review all of the enclosed materials closely (exhibitor folder, this year's information sheet, a list of hotels in Tifton, and contract). More information is soon to come on our website at www.gapeanuts.com. If you have any questions please do not hesitate to contact the Georgia Peanut Commission at 229-386-3470 or send an email to hannah@gapeanuts.com.

We invite your participation and look forward to your presence at the Georgia Peanut Farm Show—return your contract and deposit today!
