

2017 Report

Georgia Peanut Achievement Club for Recognizing Whole-Farm Peanut Yields

Project Leader: W. Scott Monfort, Crop and Soil Sciences Department
University of Georgia, smonfort@uga.edu

The Peanut Achievement Club recognizes 14 peanut growers from four districts across Georgia for their achievement of producing the highest yields in their district and acreage class. The Peanut Achievement Club dates back to the 1960's which was initiated by Frank McGill. The Winners are listed below:
